OREOFEOLUWA FESOBI

EXPERIENCE

Student Council Member Anatomy Department

2022-2023

- Leadership; Contested and duly elected as the Assistant General Secretary of the Anatomical Student Society of Nigeria (Babcock Chapter).
- Data Collection/Handling: During my time in my departmental student council, I was responsible for collection, storage and subsequent distribution of important files and documents.
- Problem Solving: Identified a gaping problem with copying and printing educational materials within my department.
- Worked with fellow executives to propose the setting up a cybercafé to the School Authority, this was approved and the cybercafe was set up under my direction bringing solution and ease to the student populace.
- Supported younger pupils with mentoring schemes enhancing their school experience.
- Assisted in the planning and implementation of extracurricular activities, boosting student engagement levels.
- Represented student body during meetings with school administrators for enhanced communication.
- Promoted inclusivity by creating equal opportunities for diverse groups of students.
- Organised regular study groups improving academic performance across different year groups.

Final's Reasearch Group Leader

2022-2023

- Placed in charge of keeping records on the payment for the tools and materials used for our research and the management of the equipment used during the research.
- Led cross-functional teams to achieve project goals on time.
- Implemented quality control measures for equipment's used during the experiment and ensured adherence to standards.

Resident Assistant Babcock University

2021-2022

- Fostered a positive atmosphere amongst residents; addressed any issues or concerns promptly.
- Served as an approachable figure for residents needing advice or assistance; enhanced overall resident experience within halls of residence.
- Maintained cleanliness of common areas to ensure pleasant living conditions.
- Acted as a liaison between residents and housing management; relayed important information effectively.
